Revised: February 26, 2016
SECTION 1: KNOWLEDGE OF RULES

Cooper City Optimist Baseball (CCO Baseball) is governed by the rules as compiled herein. THESE RULES MUST BE FOLLOWED AND CANNOT BE AMENDED OR CHANGED BY ANY COACH, MANAGER OR UMPIRE.

SECTION 2: ORDER OF RULE PRIORITY

1. Cooper City Optimist Baseball Official Playing Rules
2. USSSA Official Baseball National By-Laws & Rules
3. Official Rules of Major League Baseball

SECTION 3: GENERAL

A. The rules can be found on the CCO Baseball website at www.coopercityoptimist.com. Each head coach will acquaint their players, assistants, sponsors and parents with the rules. If you don’t have internet access, the CCO Baseball program will provide you with a copy of the rules.

B. Any individual violating any of these rules is subject to the penalties, as outlined in said rule or rules of this book.

C. Ignorance of said rule or rules shall not be accepted as an excuse for any violation.

D. Only one (1) coach or designated coach may approach umpire to question or dispute call. NO EXCEPTIONS.

E. All postponed, protested, or tied games will be rescheduled by the Division Commissioner. Division or Head Commissioners are the only ones who can postpone or reschedule any games. Games cancelled for weather can only be rescheduled by Division Commissioner or Head Commissioner. Games that are rescheduled by anyone other than the Division or Head Commissioner will not have umpires, will not have field space, and will not be counted in the standings.

F. Final Standings: The final standings will be determined as follows:

1. Most points earned during season (Win * 2 + Ties).
2. If teams in the same division do not play an equal number of games the following formula will be used (Wins * 2 + Ties) / (Games * 2).
3. Head-to-Head.
4. One (1) game playoff if time and scheduling permits. (Date and time to be determined by head commissioner’s calendar, not team availability).
5. Coin toss.
G. **Participation / Substitution Rules:**

1. Teams will bat entire roster.
2. 6U Tee Ball, 8U Coach Pitch, and 10U Baseball - No player may sit two (2) innings until all players have sat once.
3. 12U Baseball - No player may sit on the bench for two (2) consecutive innings and no more than two (2) innings in a game.
4. 14U Baseball - No player may sit on the bench for two (2) consecutive innings and no more than three (3) innings in a game.
5. 16U Baseball - See 16U Baseball division specific rules.
6. Only the pitching position may be substituted from the bench during an inning except for injury substitutions. If a pitcher is substituted during an inning and is sent to the bench; that player must play the next inning. The player from the bench that is substituted for the pitcher must also play the next inning. (A player sitting on the bench for (1) pitch will constitute a full inning sitting out.)
7. **Penalty:** Game is forfeited.
8. *G-6 only applies to 10U Baseball division and above. All lower divisions are not allowed any substitutions during an inning except for injury.

H. **Late Arrivals:** Any player arriving after the start of the game and before the completion of the 3rd inning is eligible to participate in the game. The player will be inserted at the bottom of the batting roster regardless of when that position is next scheduled to bat.

I. **Continuation of Suspended Games:** Suspended games due to weather will be rescheduled by the Baseball Commissioner at the earliest available date. A player not present for the continuation of an in-house game is scratched from the line-up and is not an automatic out when the position is due in the batting order. A player who did not participate in the beginning of the game is subject to rule H. and may play if the game has not completed the 3rd inning. Both teams are still subject to rule regarding minimum number of players (8) required to continue game.

J. **Regulation Games:** 6U Tee Ball, 8U Coach Pitch, & 10U Baseball: Four (4) innings, or three and one-half (3½) innings if home team is leading or division time limit. 12U Baseball & 14U Baseball: Five (5) innings, or four and one-half (4½) innings if home team is leading or division time limit.

K. **Weather:** If weather interferes with play so that the game is called (ended) by the umpire before it is a regulation game, the game will be suspended and it will resume at the point of interruption (See Rule I above for rescheduling of a suspended game). If weather interferes with play so that the game is called (ended) by the umpire after it has reached a regulation game and the teams have not had an equal number of completed turns at bat, the score shall be the same as it was at the end of the last completed inning; except that if the home team in its half of the incomplete inning, scores a run (or runs) which equals or exceeds the opponent’s score, the final score shall be as recorded when the game is called.

L. **Games Ending in Ties:** All divisions will play one (1) extra inning to break a tie if the time limit hasn’t expired.
M. **Forfeits**: A forfeited game will be scored one (1) run per inning the division plays. Example: Six inning game would be scored 6-0; a seven inning game would be scored 7-0.

N. **Injuries/Illness**: A player may be removed from the line-up for illness or injury reasons without penalty to the team unless it lowers the number of players below the 8 player limit (See rule Q.). It is not an automatic out the next time the player is due up in the batting order. A player removed for illness or injury may not re-enter the game if his batting order has been skipped once. A player may be substituted in the field for illness or injury but must play in the field the next inning following his next turn at bat unless the player is officially removed from the game. *If the player leaves it is not an out.*

O. **Ejections**: If a player is ejected an out will be recorded for the player’s turn at bat.

P. **Mercy Rule (10-Run Rule): 6U Tee Ball, 8U Coach Pitch & 10U Baseball**: If after four (4) innings, or three and one-half (3½) innings if the home team is ahead, one team has a lead of ten (10) runs or more the game will end and the team in the lead shall be declared the winner. **12U Baseball & 14U Baseball**: If after five (5) innings, or four and one-half (4½) innings if the home team is ahead, one team has a lead of ten (10) runs or more the game will end and the team in the lead shall be declared the winner.

Q. **Minimum Player Requirement**: Teams must have a minimum of eight (8) players at all times. Teams have 15 minutes after scheduled game start time to meet minimum player requirement. A team that does not meet the minimum player requirement at any time during the game will forfeit to the opposing team.

R. **Throwing Bat: 6U Tee Ball - 8U Coach Pitch**: A player who throws the bat while at the plate batting will be given one warning, if the player throws the bat a second time the player is called out; the ball is dead and all runners return to the base they started at. Each player is allowed one warning per game. This is a judgment call by the umpire. **10U Baseball - 16U Baseball**: Throwing of the bat while at the plate batting will result in a Team Bench Warning for both teams. Next player who throws a bat is called out; the ball is dead and all runners return to the base they started at. This is a judgment call by the umpire.

S. **Throwing Equipment**: In any division if a player throws any equipment in anger or for any other reason this is considered unsportsmanlike conduct and the player will be removed from the game. This is a judgment call by the umpire.

T. **Infield Fly Rule**: Infield Fly Rule will be called in all divisions except 6U Tee Ball and 8U Coach Pitch.

U. **Time-outs**: One offensive time-out per inning. No defensive time-outs allowed, except mound visits.

V. **Game Sheets**: The winning team has forty eight (48) hours to turn in game sheet. Turn in your game sheets as determined by your Division Commissioner. **If winning team does not turn in game sheet within the 48-hour time period the winning team does not get credited with a win.**
W. **Speed-Up Rule:** The speed-up rule for catchers is optional. A coach may replace a catcher that is on base for a pinch runner if there are two outs. If a player is replaced with a pinch runner with two outs the player that came out must go in the field to catch when his team returns to the field and must catch the full inning. The pinch runner must be the player who made the last out.

X. **Maximum Coaches:**

- **4U Instructional Tee Ball:** Maximum of four (4) coaches
- **6U Tee Ball:** Maximum of four (4) coaches
- **8U Coach Pitch:** Maximum four (4) coaches
- **10U Baseball - 16U Baseball:** Maximum three (3) coaches

Y. **Intentional Walks:** Defensive team may declare intent to walk batter. No need to pitch to batter.

Z. **Pre-Game Meeting w/ Umpires:** At pre-game meeting, one coach will be designated to the umpires. This coach is the only one that is allowed to approach umpires to either discuss a judgment call or protest a rules interpretation. All other coaches will be warned no more than 1 time per game to not approach an umpire for these matters before they are ejected.

AA. **Radios, Music Players, PA Systems or Artificial Noisemakers:** Radios, Music Players, PA Systems, or Artificial Noisemakers, i.e. air horns, cowbells, rattles of any kind, are not allowed to be used by coaches, players or spectators during a game.

BB. **Pre-Game Warm-Up:** No pre-game infield warm-up is allowed. Prior to the game, a team may warm up in foul territory or in the outfield only!
SECTION 4: ELIGIBILITY OF PLAYERS, MANAGERS AND COACHES / REGISTRATION / DRAFT RULES

Note: Each player under the age of 18, before participation, shall be required to have written consent from his/her parent or legal guardian.

A. All freezes must be approved by both the child and the parents before the draft. Disregard of this rule (and courtesy) will result in loss of the team by the coach. Coaches are required to have the player’s parent sign a Player Freeze Consent Form granting permission for the head coach to freeze the player on their team. Once the parent has signed the Freeze Form the player will be obligated to play for that head coach. If for any reason, the parent/player changes their mind after signing the Freeze Form; the player will be placed in the draft and will not be allowed to be frozen by another head coach. No Exceptions!

B. A maximum of four (4) freezes per team are permitted; inclusive of siblings (if a freeze has a sibling in the same division, the sibling must also be a freeze accounting for two (2) of the four (4) allowed freezes.

C. Coaches MUST freeze their own child(ren).

D. Returning coaches must declare their freezes and submit the completed and signed Player Freeze Consent Form to the Division Commissioner prior to Player Evaluations.

E. New coaches may declare their freezes and submit the completed and signed Player Consent Form to the Division Commissioner after tryouts at the draft. The intent of this rule is to allow new coaches to connect with potential assistant coaches. It does not allow them to freeze the best-rated players from the tryout without contacting the family. A new coach is defined as a person who has not volunteered as a Head Coach or an Assistant Coach in the previous 24 months.

F. It is up to the discretion of the Head Baseball Commissioner whether or not a coach will be allowed to coach two (2) baseball teams in the same season.

G. Siblings must always go together unless the family specifically requests separate teams.

H. **Instructional 4U Instructional Tee Ball ONLY:** Teams will declare freezes per previous rules. The Division Commissioner will then assign Assistant Coach freezes to new coaches that request them. The teams will then select players following the pattern defined in Rule J (below) until all teams are of equal size. There will be no restriction on which players may be selected. The remainder of the roster will then be randomly assigned by the Division Commissioner in a pattern that was previously defined and distributed to the coaches.

I. All players from the program that do not attend Player Evaluations will not be allowed to be drafted unless they are a freeze. All players are "draftable" only if they attend Player Evaluations. Players who do not attend Player Evaluations or not frozen will be assigned to teams in a blind draw (hat pick). However, a player that did not attend the Player Evaluations may be drafted as long as the player participated in the previous Spring and/or Fall season and at least 3 independent coaches in the draft can rate the player’s skills and agree on the same rating. Otherwise, the player will be a hat-pick.
J. All trades to accommodate car-pool requests or for any other reason must be made at the
draft. No unrated player may be traded unless specially approved by the division
commissioner and the head baseball commissioner.

K. Teams will select draft order in a blind draw. The draft will then begin with team #1 and
proceed through team #n either filling in legitimate freezes or selecting a player. Round 2
will then proceed in the reverse order from team #n through team #1. Round 3 then begins
with team #1, Round 4 with team #n, etc. until all "draftable" players have been exhausted.
All teams must select a player in a round that contains enough "draftable" players to assign
one to each team. In the final round where enough players are not left to assign one per team,
each team has the option of selecting a player or passing. The remaining players are then
drawn blind along with the unrated players in the same order as the draft was preceding
beginning with the first team to pass.

L. In the event that all teams do not have the same number of players, late signups are assigned
by the Registrar. Dropouts will be replaced in the same manner. The intent of this procedure
is to prevent teams from "recruiting".

M. All drafts are closed. Attendance is restricted to coaches only. Only two (2) coaches per team
may attend.

N. **Playing up or down:** All participants are required to play in the division/age group that
 corresponds to their date of birth. No playing up or playing down is allowed.

**Exception:** A participant may play up to the 6U Tee Ball Division under the following
conditions:

1. Player must have played two (2) previous 4U Instructional Tee Ball season for
   Cooper City Optimist Baseball.
2. Player would move up to 6U Tee Ball in the next fall season.
3. Player must attend Player Evaluations for the 6U Tee Ball Division.
4. Player must be drafted by a 6U Tee Ball coach; otherwise the player stays in 4U
   Instructional Tee Ball.
5. Space must be available in the 6U Tee Ball Division.

O. **Participation:** All participants must be registered within the current baseball program. At
no time may a non-registered player take part in any game or practice. This rule specifically
includes, but is not limited to, siblings and friends of team members. All divisions are
governed by this rule. **Violation of this rule will result in suspension of coaching
privileges and potential loss of team.**
P. **Appointment of In-house Coaches:** Coaching candidates must submit an online coach registration prior to the specified deadline.

Prospective coaches will need to be available for drafts in order to draft their team. Please check the Calendar of Events for the draft dates to ensure your availability.

Head Coaches will be selected by the Baseball Board from the registered coaches.

Head Coaches shall submit their Assistant Coaches’ names to the Division Coordinator as soon as possible, but no later than ten (10) days after the draft. The Baseball Board will review and approve the Assistant Coaches.

Q. **Appointment of Travel Team Coaches:** Travel Head Coaches will be selected based on various criteria including, previous coaching in the recreational and/or travel program; involvement in the Optimist Club of Cooper City; and baseball coaching experience / knowledge. Travel Coaches will be nominated by the Travel Commissioner or Baseball Commissioner and subject to approval by the Baseball Board. Travel Head Coaches will select their Assistant Coaches. All Travel Head & Assistant Coaches must be approved by the Baseball Board.

R. All Team Managers, Coaches, Assistant Coaches, Coach Pitchers and Team Helpers must agree to a background check and pass the background check before being allowed to be on the field coaching any kids. **Any Team Manager, Coach, Assistant Coach, Coach Pitcher or Team Helper that has not submitted a background check form prior to the draft will not be allowed to draft a team or have their child frozen on a team.**

It shall not be grounds for declaring the batter out and/or ejection from the game. If the umpire discovers that a bat

Delay time shall be added to end of game by umpire’s time.

Any coach violating the pitching limit rule should be reported to the league, this will help the league monitor that coach and team.

D. Coaches must bring a pitch counter to games.

E. In an effort to avoid issues and discrepancies on the number of pitches, score keepers are to monitor pitch counts and check pitch totals every two innings. J. A player or coach asking to call “time” will not stop play unless the umpire calls “time”. This will only be done when the defense has stopped the runner’s advance.

K. Batter runner may not advance on an overthrow to 1st base. All other base runners may advance the maximum allowed bases (see Rule L) at their own risk.

L. The maximum number of bases that a base runner may advance on a play is two. Example: If a base runner is on 1st base and the ball it hit, no matter what happens with overthrows the runner can only advance to 3rd base.

M. A batter runner may advance two bases ONLY if the batted ball has passed the 45-foot line and is NOT in the possession of an infielder. If an infielder has possession of the ball, the batter runner may NOT advance to 2nd base. All other base runners can advance at their own risk per Rule L.

N. The ball is hit from the batting tee. Coach will announce “ball on tee” upon placing the baseball on the tee.

O. The batter must be in the batter’s box and must take a full swing. NO BUNTS ALLOWED

P. The batter shall be called out after failing to hit the ball after 3 swings.
Q. A manager or coach is allowed to assist any player in the proper way to play a position or stand in the batter’s box, except while the ball is in play. The ball is in play once it is placed on the tee by the manager. If a manager or coach touches a player while the ball is in play, the player is OUT.

R. The coach must remove the batting tee when a runner is advancing to home plate.

S. Only league-issued batting tees are allowed to be used in games.

T. If a base runner is hit by a batted ball the play is “dead” and all base runners advance to the base they were headed to. The base runner that was hit by the baseball is NOT out.

U. Two defensive coaches may stand in the outfield in foul territory in line with the outfield players.

V. Defensive players MUST rotate each inning from outfield/catcher to infield & from infield to outfield/catcher. No player can play the same position two consecutive innings or the same position more than twice in a game. In the event a team has less than 10 players, no player may play the infield more than 2 consecutive innings.

SECTION 9.3: 8U COACH PITCH

A. Teams will consist of ten (10) players. 4 outfieldsers. Under all circumstances a catcher and pitcher must be used. If only 9 players are available then only 3 outfieldsers will be used. If only 8 players are available then only 2 outfieldsers will be used. Less than 8 players will be a forfeit.

B. The manager, coach or designated pitcher will pitch to his/her own team. The designated pitcher may not be a rostered player or coach from another Coach Pitch team. Coach Pitcher that starts the inning must finish the inning.

C. Batter will receive up to six pitches: A batter shall be declared out after failing to hit a fair ball after six pitches are delivered. The batter is out if there are three strikes before the sixth pitch. Missed swings are counted as strikes, as are foul balls and foul tips. A batter is not out on a foul ball or a foul tip unless it is also the sixth pitch.

D. Base runners are not permitted to steal bases and shall remain in contact with the base until ball is hit or crosses home plate. PENALTY: If a runner is off the base and the ball is hit, the runner is out and the ball is in play. If the ball is not hit, the runner must return to the base.

E. Coach Pitcher may coach BATTER ONLY until ball is pitched. Coach Pitcher must not coach while ball is in play. PENALTY - JUDGMENT OF UMPIRE: 1st Offense - Warning / 2nd Offense - Removal of coach from the position.

F. No bunting in coach pitch. PENALTY- Batter is out.
G. **Dead Ball** - When the ball is in the possession of an infielder and, in the umpire’s judgment, all play on the runner or runners has ceased, the umpire shall call “time”. The ball is dead and shall be returned to home plate. *Comment: When a runner stands off a base and “jukes” or “feints” back and forth, this is to be interpreted as “not attempting to advance” and “Time” shall be called.*

H. A player or coach asking to call “time” will not stop play unless the umpire calls “time”. This will only be done when the defense has stopped the runner’s advance.

I. Kid pitcher must remain in position until the pitched ball passes home plate. Being in position is defined as behind the pitcher’s rubber (no more than 2 feet behind the rubber) and no more than 2 feet to either side of the pitcher’s rubber. **PENALTY**: If the pitcher makes a play on the ball the batter and all base runners are awarded one base if both the kid pitchers is outside the kid pitcher area when the ball crossed home plate. This is a judgment call by the umpire.

J. A Coach from the defensive team will be permitted to stand behind the catcher to retrieve passed balls. This coach’s impact on the game is to speed up the game when passed balls occur, not to coach from that position. **PENALTY - JUDGMENT OF UMPIRE**: 1st Offense - Warning / 2nd Offense - Removal of coach from the position.

K. If a batted ball hits the coach pitcher, the ball is dead. The pitch is a foul strike and no runners may advance. If a live ball hits the coach pitcher, or in the umpires judgment the coach interferes in the fielders attempt to make a play, the ball is dead and the lead runner is out.

L. Two defensive coaches may stand in the outfield in foul territory in line with the outfield players.

M. Kid pitcher must wear protective headgear with full ear protection and protective mask.

**SECTION 9.4: 10U BASEBALL**

A. Teams will consist of nine (9) players.

B. Whenever a third strike is not legally caught by the catcher, the batter shall be declared automatically out and the base runners may advance at their own risk.

C. Leading and Stealing: Runners at first and second bases may lead off and steal bases, as in official baseball rules, but runners at third base shall remain in contact with the base from the time the pitcher steps on the rubber with possession of the ball until the pitched ball has been hit or has reached or passed the batter. Once the pitcher has stepped on the rubber, in possession of the ball, runners at third base who leave base before the pitched ball reaches or passes the batter shall be called out and the pitch shall be considered as a dead ball. Runners can attempt to go home on a passed ball (assuming that they do not leave the base until ball has passed the batter) or a wild throw back to the pitcher. The play is “live” and runners may advance until the pitcher is in possession of the ball and has stepped on the rubber. Once the
pitcher is in possession of the ball and has stepped on the rubber the 3rd base runner must return to 3rd base.

D. Balks will be called. Each pitcher will get one warning per game. Ball is dead and no runners may advance on a warning.

G. Managers or coaches contemplating a protest on violations of playing rules on the field of play must notify the head umpire immediately of the desire and before the next pitch. The exact situation & time will be noted in the official scorebook & on the official game sheet & signed by the manager and head umpire.

H. If the Rules and Protest Committee finds that a ruling in favor of the protest would not have affected the outcome of the game, said protest will be denied.

I. One representative only from each team may attend the hearing to offer information requested by the Rules and Protest Committee. The Committee will rule, in private, after the facts are presented.

J. Players are not allowed at protest hearings.

An inning ends when the third out is called. An inning starts immediately when the previous inning ends. Example: The 3rd out is called in the bottom of the 5th inning 1 hour and 59 minutes into the game; the 6th inning will be played.

The game clock will stop when a game is delayed for inclement weather or if the lightning prediction system has been activated only. The game clock does not stop for player injuries, field/equipment delays, rule discussions/protests, etc.
